National Cybersecurity & Communications Integration Center (NCCIC)

AWARENESS BRIEFINGS

RUSSIAN ACTIVITY AGAINST CRITICAL INFRASTRUCTURE

Join the Department of Homeland Security for an awareness briefing on Russian activity against critical infrastructure. Experts from the NCCIC will discuss recent cyber incidents, share mitigation techniques, and highlight resources available to protect critical assets.

Webinars will be held from 1:00PM – 2:30PM ET:

- July 23, 2018
- July 25, 2018
- July 30, 2018
- August 1, 2018

Content is the same for each session.

Webinar Details:
