

Lake Superior College, Duluth, Minnesota

**Lake Superior College** is the only two-year college in Minnesota designated as a National Center of Academic Excellence in Cyber Defense by the National Security Agency/Department of Homeland Security.

Located in Duluth, Minnesota, it is the largest two-year college in northern Minnesota with enrollment of approximately 10,000 students. It is a member of the Minnesota State system with 30 community and technical colleges and seven state universities.

The college's leadership role in cybersecurity education includes:

- A Network Administration and Cybersecurity A.A.S. degree that is available online or on campus
- A national ranking as one of top 25 best online Associate Degrees in Cybersecurity

- A national ranking in the top ten most affordable online Associate Degree in Cybersecurity
- A CyberCorps® Scholarship for Service with St. Cloud State University
- A Minnesota State Pathways transfer agreement with St. Cloud State University that allows LSC students to transfer and complete their bachelor's degree on the SCSU campus
- Free, summer cybersecurity camps that introduce high school students to the world of cybersecurity
- A \$240,000 grant from the NSA for Cybersecurity Workforce Education Initiative built a training lab for students that simulates work environments
- A \$98,938 grant from the U.S. Department of Education is helping train LSC cybersecurity students on the growing security risk offered by IoT (Internet of Things) devices
