

The University of Arkansas Campus

The **University of Arkansas** was designated as a National Centers of Academic Excellence in Information Assurance Research in 2012 and again in 2014 when the designation was modified to National Centers of Academic Excellence in Cyber Defense Research. The mission of the center is to promote education and research in the field of computer security and information assurance at the University of Arkansas.

The activities of this center include, but are not limited to, fostering multidisciplinary research, securing large-scale funding from federal, state, and other funding agencies, providing education and training to the future workforce, and increasing awareness in the field of information security and reliability by offering appropriate seminars and workshops.

The following faculty members are part of the center:

- **Brajendra Panda**, Center Director (cybersecurity/database security)
- **David Andrews** (architecture security)
- **Paul Cronan** (ethical behavior/academic integrity)
- **Jia Di** (asynchronous integrated circuit design and hardware security)
- **Miaoqing Huang** (cloud security)
- **Qinghua LI** (cybersecurity and privacy)
- **Dale Thompson** (wireless systems security and network security)
- **Xintao Wu** (cybersecurity and privacy)
