RCSJ Cumberland Campus

Rowan College of South Jersey (RCSJ) is a student success-oriented, accessible, and affordable learning center dedicated to enhancing its community's economic development and quality of life by striving for academic excellence in offering innovative programs and services to a diverse community of learners in a safe and caring environment.

RCSJ offers an Associate of Science in Cybersecurity to equip students with offensive and defensive security skills for every organization's computer network infrastructure against cybercrime. This transformative degree guides students toward industry certification. The cybersecurity program is designed to be approachable, practical, and a good foundation for an entry-level career in information security, computer network security, security engineer, cybersecurity specialist/technician, cybercrime analyst/investigator, and for further study at any four-year college or university. For more information, visit RCSJ.edu/CyberSecurity.

RCSJ is a student-centered, student success-driven college providing many educational opportunities for degree seeking students as well as professionals wanting to earn a much-needed credential or pursue workforce training. We offer more than 100 in-demand and industry-informed degree, certificate, and workforce programs in two convenient locations - Gloucester and Cumberland counties. On both campuses, the College provides access to quality education, marketable credentials, experiential learning, and enhanced student experiences.

Rowan University, our flagship partner, offers unique academic and tuition-saving programs like 3+1, 2+2, and Traditional Transfer for RCSJ students pursuing a bachelor's degree.
