

# NEW CAE-CD Outreach Competition

- The CAE-CD Regional Outreach Competition Committee was established by the CAE- Community of Practice (CoP) – Cyber Defense (CD)
  - To encourage and promote cybersecurity awareness and online safety practices by taking advantage of the cybersecurity outreach CAEs do throughout the year
  - To maximize the impacts of the CAEs on the community
  - To strengthen the collaborative relationships between CAE Regional Hubs and their member institutions

# Criteria and Rules

- We ask the Hubs to provide documented evidence of their **collective** outreach efforts during the **Jan 2021 to Dec 2021** timeframe in each of the following areas
  - Impact measures
  - Diversity measures
  - Effort measures
- Each CAE Hub will submit the documents to the committee chairs
  - Also submit its recommendation (along with supporting documents) of its CAE members (up to five, top three will be selected) for individual CAE awards
  - The award committee will consist of the Outreach Competition Committee and one representative from each CAE hub
  - The awards will be presented at the CAE Symposium early June 2022
