Apply to be considered for this unique opportunity!

APPLICATIONS CLOSE: 31 March 2023

Participants will be notified of acceptance by 30 April 2023

THE DETAILS...

You will be awarded a $900 stipend for participating in the GenCyber Camp. Opt in for an additional $300 stipend if you choose to practice your teaching skills the following week (19 - 23 June) at the GenCyber Cybersecurity Middle School Student Camp. **That's $1,200 TOTAL!**

Reimbursement for travel is available: daily mileage for local (<100 miles) attendees; lodging & mileage for attendees more than 100 miles away

Participants are required to complete 15 hours each of pre- and post-camp work for full CEU credit

US Citizenship or Personship is Required

Lunch included each day!

Participants are eligible for 4 CEUs

You will walk away with everything you need to teach

cybersecurity in your classroom!

Takeaways for each attendee valued at $350! This includes a Cyber Career Pack for your students, teaching aids, a GenCyber-branded giveaway, and a voucher to test for the EC Council's Ethical Hacking Essentials Certificate
