National Centers of Academic Excellence in Cybersecurity

CyberAl Programs of Study Validations Checklist

Overview:

Institutions wishing to earn the Center of Academic Excellence CyberAl Programs of Study Validations will apply in one part.

Part 1: Program of Study (PoS) Validation: The process will begin with the submission of elements pertaining to the academic PoS study for either Security of AI (SecureAI) or AI for Cybersecurity (AICyber). Elements include: curriculum, student and faculty profiles and your institutions continuous improvement plan. An institution can submit for one or both AI PoS Validation applications (one per submission cycle). Institutions submitting a checklist must already be a CAE-CD or CAE-CO designated institution.
